

The Great Volunteers Of 2015-2016 :)

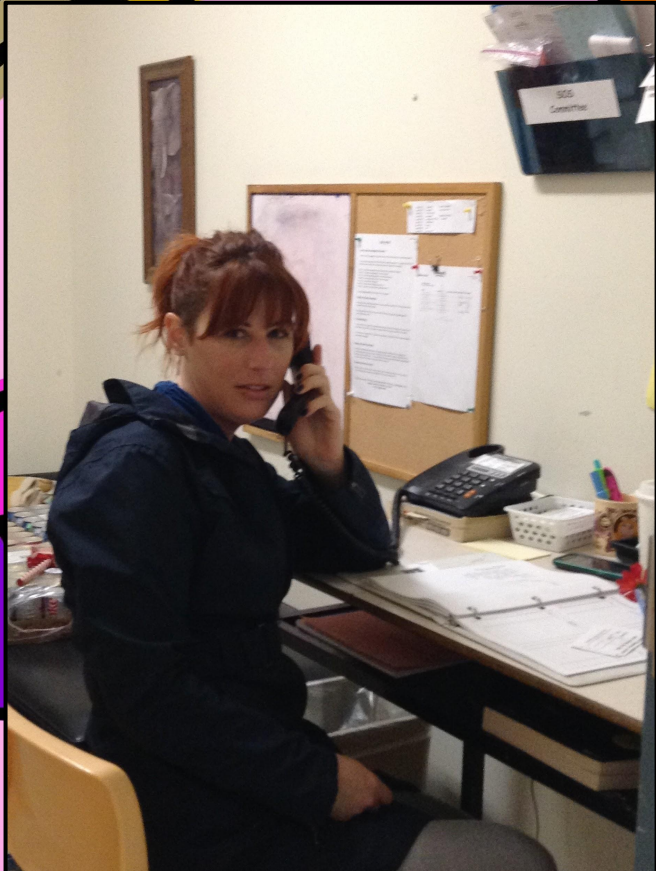

Interesting Facts about Volunteering?

1. Volunteers are happier, healthier and sleep better than those who don't volunteer – doctors should recommend it.
2. Just a few hours of volunteer work makes a difference in happiness and mood.
3. Children who volunteer are two times more likely to volunteer when they are adults.

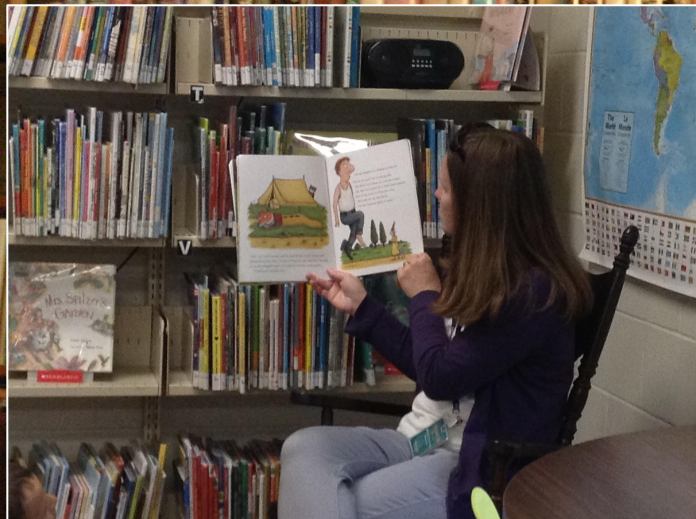

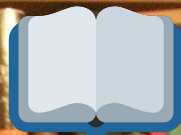

Why are our volunteers special?

Grade 2	They help to pick books
Grade 3	They work so hard ,they are very nice
Grade 4	They help us do things we sometimes can't do ourselves
Grade 5	They try their hardest to see us happy!
Staff	They work hard to provide for all of the students and allow us to give them the best possible experience at school.
