

Millwood Leadership Application

Grade 5 Leadership positions give the students a chance to develop leadership skills at school. Leadership responsibilities should be regarded as “a job” and students are responsible and accountable for their work. Students should be aware that leadership jobs are not an excuse to miss class work and that they require their teacher’s permission to leave the class for a leadership job. Poor classroom behavior can lead to removal of leadership jobs and privileges.

Roles Available:

1. **Ambassador** - hosting and speaking at assemblies, reading announcements on the PA, greeting and helping guest speakers prior to and after assemblies.
2. **Assembly Set Up Crew** - setting up chairs, projectors, sound system and other items needed for assemblies, putting everything away at the end of the assembly.
3. **Milk Delivery Crew** - organizing and delivering the milk orders to classes every day at 11:20am.
4. **Bulletin Board Crew** - setting up a monthly display on selected bulletin boards in the school, putting up and taking down the weekly pride paw awards and delivering the pride paws to the students.
5. **Lunch time Clubs** - planning and running a lunch time activity for other students.
6. **Phys Ed Recess Assistants** - helping with the primary PE classes on Wednesday and Friday during the upper elementary recess period.

How to Apply:

Fill out the form below and on the back of this page write a paragraph (for each role you are interested in) outlining why you have selected the job(s) you are interested in and why you would be a good choice to be selected for the job. You are welcome to apply for as many positions as you wish.

Name: _____ Class: _____

Jobs Applying For:

1. _____
2. _____
3. _____
4. _____

Please write a paragraph per job about why you selected the job and why you would be a good choice for that job. Use more space if required.
